

*Introducing our NEW*  
**STAY-IN-PLACE SAFETY MAT**

Our adhesive-backed "Stay in Place" roll stays put to prevent slips and trip hazards around workstations, walkways, machinery or wherever you need a durable, absorbent mat to "Stay-In-Place".

- ▶ For use where safety should be a priority.
- ▶ Adhesive backing sticks to the floor preventing falls by absorbing "all liquids".
- ▶ Sticky backing adheres to floors and peels up easily & can be re-applied. Stays tacky!
- ▶ Top layer is slip-resistant.

*The applications for this product are endless: food processors, schools, restaurants, grocery stores manufacturing plants and numerous industrial applications.*

*Stay In Place – sticky mats are the ideal solution for slipping mats or wet / oily floors.*
